

June is Recycling Awareness Month

Spring cleaning is easier when you know where to take things. It's even easier to say goodbye to your stuff when it goes somewhere other than the landfill.

Here are a couple of suggestions to give your things a new home or use— and look for more information posted around the church during the month:

- Youth Bazaar – items are needed for the auction baskets, kids store as well as overall basic needs (pick up list in the information bins outside Community Center)
- Paper Drive – turned into new paper (collected all the time, receptacle at back of parking lot– we will take anything but cardboard and wrapping paper (yes magazines, catalogues, office and school papers, etc)
 - The collection container will only be manned for help in unloading during these times in June:
 - Sunday services – at noon
- Used ink cartridges & cell phones – (collected all the time, leave them at the inside collection centers)

Greene County has many ways of reusing your unneeded items. Please make a point of learning to reduce your waste in June. Be a good Steward of what God has given you all year round.
